

SOGO Squirts Week 15

O is for Orienteering!

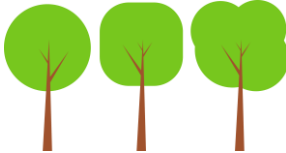

Drawing Challenge

Draw a map of the playground closest to your house. Take a walk to the playground. Notice what landmarks you see (Remember a landmark is something big that stands out, like a slide)

Neighbourhood Challenge

This week we are practising some of our great orienteering skills! Let's navigate our neighbourhoods! We are going to use a punch card on our walk/run. Print the punch card, and find these items in your neighbourhood. Mark the item as you find it.

| Control Number | Control Description | Punch |
|----------------|---|-------|
