

SOGO Squirts Week 9

I is for Imagination

Use your imagination to draw a map. Draw at least 3 landmarks. Your map can be a real place like the living room, or a pretend place like a magical garden. Make sure to write the location (name) of the map.

Story-time Imagination Challenge

Check out this story <<https://www.youtube.com/watch?v=N9FTN7JzUKw>> about a boy named Franklin who uses his imagination. As you listen to the story see if you can act out all of the things Franklin sees.

Look outside the window, or go outside. Check out the clouds. What shapes do you see? Can you act out what you see?

Adventure Agility Challenge

With a grown up make an agility course. Make the obstacles in your agility course silly things. Instead of having a stone to jump over, imagine that stone is really a rock troll. Imagine that a towel is really a whale. See how fast you can run through your imagination agility course.

Maze Challenge

This bear is exploring the clouds and using her imagination just like you. Complete this maze. Then colour it in.
